# Weather poem

A

Read the poem about the weather.

On a sunny day, I'm happy.  
 On a sunny day, I smile.  
 Flowers bloom, in the sunlight.  
 We play outside and we go and look for butterflies.

On a rainy day, I'm happy.  
 On a rainy day, I smile.  
 Hills and trees, look fresh and green.  
 And I see rainbow-colored umbrellas in the streets.

On a windy day, I'm happy.  
 On a windy day, I smile.  
 All the leaves, shake and fly.  
 And my kite is flying high in the sky.

On a snowy day, I'm happy.  
 On a snowy day, I smile.  
 Snowflakes fall, on my window.  
 Frozen leaves shine like silver stars in a dream.

B

Say what each picture shows.

C

# Reading - Canadian climate

**A**

Read this text about the climate in Canada.

People often associate Canada with cold weather and snow. In reality, it has a diverse climate. The weather in Canada varies. In most parts of Canada it snows in winter but in some parts it doesn't. The northern parts of the country have very cold winters. In the summer the sun is out every day and there is no rain. Summers can be hot and dry. Spring is generally pleasant across the country. It rains a lot on the west coast the fall and on the east coast it's often misty.
