Suggestions for the end of your lessons:

The end of the lesson gives the teacher the opportunity to assign homework and do a quick review. Students can say goodbye in a positive atmosphere and therefore look forward to their next lesson.

These activities can be done in the following order at the end of your lesson:

1. Assign Homework

Each week give out a homework worksheet for your students to take home. Hold up the homework worksheet and model how to do it. Give out the worksheets and say "Put your homework in your bags" and help them to do so - this is important as they will probably want to start coloring them right away.

Note: If possible, encourage the parents to help out as much as possible with their child's homework - it is a great way to have your students practice the target language outside of class.

2. Say Goodbye

For younger students (under 7s):

Glove puppet. Take out the bag again and get everyone to wake up the glove puppet by shouting its name into the bag (e.g. "Cookie Monster!"). Bring out the puppet and go through the

same routine as in the warm up - go to each S and say hello, ask their name and the say goodbye / see you. Then put the puppet back in the bag (back to sleep).

For older students (7 and older):

Play "Stand on one leg questions": Get everyone to stand on one leg. Ask each student in turn a question (either from the warm-up questions or a review question from the lesson). If they get the question right they can sit down. If they get it wrong they must remain standing on one leg until the turn comes around to them again. This should be fun and quick - hopefully your students will all be sitting down soon enough!

3. Sing "Goodbye Song" or a Review Song

The "Goodbye Song" is a good way to sign off the class. Sit together in a circle and sing and clap along. You can also use a different song, especially if your students love a particular song.

Lyrics for "The Goodbye Song"	Gestures for "The Goodbye Song"
<p>Goodbye, goodbye, See you again. Goodbye, goodbye, See you again.</p> <p>It's time to go, It's time to go, It's time to go, See you next time.</p> <p>Goodbye, goodbye, See you again. It's time to go, See you next time.</p> 	<p>These are quite straight forward. First time you play the song do the gestures and encourage everyone to do them with you.</p> <ul style="list-style-type: none"> • Wave as you sing the "Goodbye, goodbye" parts. • Hold your hand above your eyes (as you would when you are looking into the distance and keeping the sun out of your eyes) and look at another student as you sing "See you again". • Tap watch (or imaginary watch) and then point to the door as you sing "It's time to go". • Point towards another student as you sing "See you next time".

4. Do "Quick Check"

Time to leave the class. Make sure everything is put away and the students have gathered their belongings. Have them line up at the door and place yourself between the door and the students. For each student check one new word (e.g. hold up a color or fruit and ask

"What's this?"). For very young kids you can hold up one of the worksheets you did in the lesson and ask them to touch an object (e.g. "Touch the melon"). When they give you an answer say goodbye and let them leave.
