Alphabet Printing Sheet

NOTE:

Why are there 2 sheets provided?

We have provided two versions of this sheet with the letter “f” presented in two slightly different ways. Some teachers like to teach the “f” with the ‘tail’ of the “f” below the line and others with the “f” completely above the line.

“f” with the ‘tail’ of the “f” below the line:

“f” above the line:

Please choose and print the sheet with the “f” version you prefer to teach.
