Hello. My name is Wendy the Witch.

Today is a special day. It is my best friend's birthday! I'm going to help make a party for her.

I need to make a special spell in my cauldron. First, I have to go shopping to buy the ingredients.

*Hello, may I help you?*

Hello. Yes, please.

6 frogs legs, please.

*Here you are. 3 gold coins, please.*

Thank you.

And 8 zombie eyeballs, please.

*Here you are. That's 6 silver coins, please.*

What is in the jar?

*Bat's wings.*

How much are they?

*1 silver coin per wing.*

Ok. 6 bat's wings, please.

Do you have a monster's finger?

*Yes, I do.*

How much is it?

*It's 5 gold coins.*

Oh! That's expensive. I'll take it!

Do you have any spider's legs?

*Yes. Do you want red or green?*

Red, please

*Ok. 2 gold coins, please.*

Thank you!

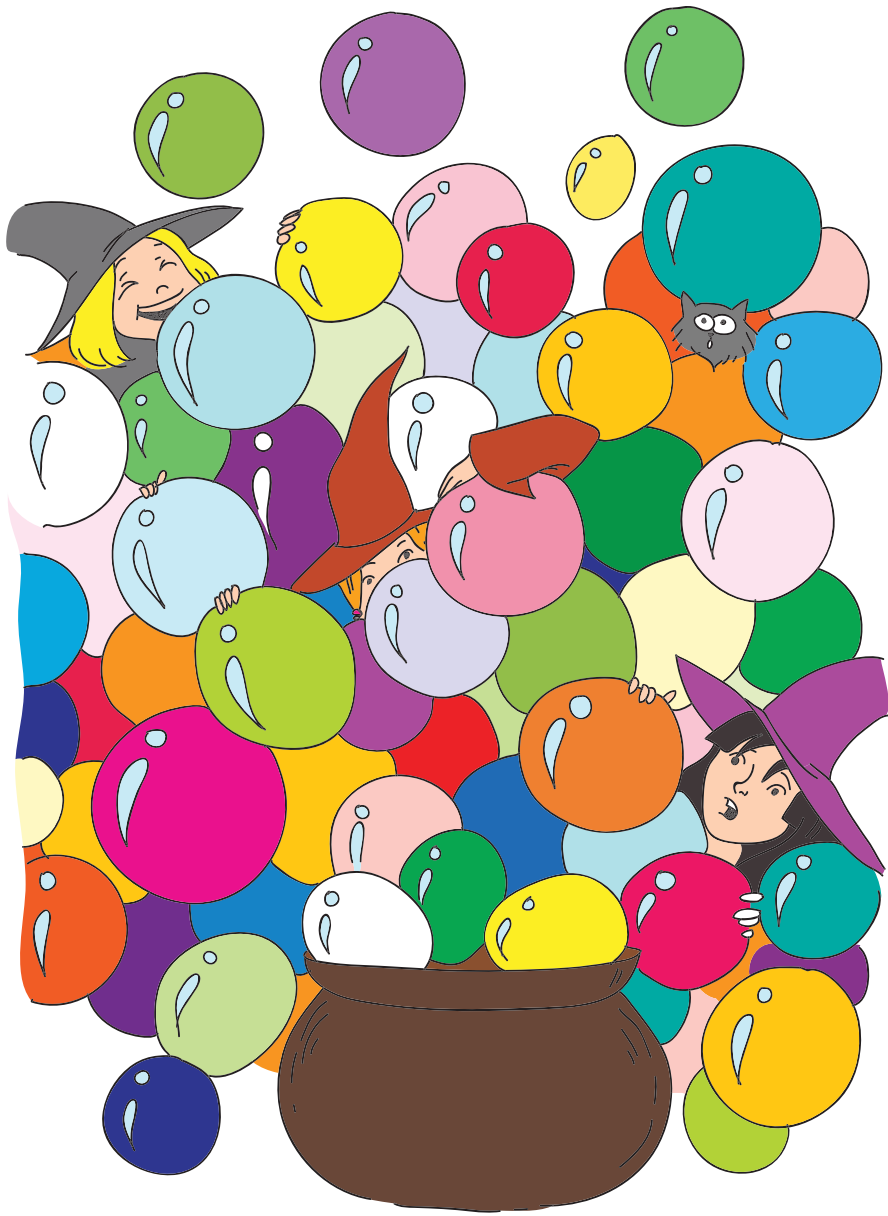

Back at home ...

It's party time! Let's make a  
potion.

Yipee! It has worked! It's a  
balloon making potion!

Oh no, it won't stop!

What a fun party!
