What's in your bedroom?

Reading

A

Read this text about a boy's bedroom.

My bedroom

This is my bedroom and these are my things. In my bedroom there are lots of toys. I like space and astronomy. In my bedroom there is a telescope and a lamp which looks like a

spaceship. The pillow on my bed looks like a spaceship too! I have a robot on my desk and a light which looks like stars on my bookshelf. I read a lot about science and space. There are some books on my bookshelf. I like playing in my bedroom. The problem is that I have a little sister. Her name's Alice. She likes playing in my bedroom too. Alice always brings her toys into my bedroom. She has a nice bedroom. Hers is pink. Mine is blue. Alice always leaves her things in my room. My mother and father often come into my bedroom at night. They always bring a book and read to me before I sleep. Alice comes to listen. She likes reading too.
